

Microline-System

Magnetisch

Das Beleuchtungssystem für
Vitrinen, Displays, Regale

The lighting system for
showcases, displays and
shelves

lumexx®
light systems

Microline-System

Magnetisch - einfach
Magnetic - simple

Microline-System

Highlights

- LED Spots mit Magnetadapter zur werkzeuglosen und einfachen Positionierung an der Schiene
LED spotlights with magnetic adapter for tool-free and simple positioning on the track
- Geringe Abmessungen, hohe Lichtstärken
Small dimensions, high luminous intensities
- Lichtfarben 3000 K oder 4000K
Kelvin: 3000 K or 4000K
- Ausführung in schwarz oder silber matt
Available in black or silver matt
